Intercultural Creativity® Speaker
Certified Clinical Musician

Amy Camie, "The Healing Harpist," is a Certified Clinical Musician, Professional & Therapeutic Harpist, Speaker, Recording Artist, Author, Educator, and Co-Initiator of The ORIGIN Methodology of Self-Discovery. For the past 25 years, Amy has been active in the sound healing community with several studies indicating how her solo harp music increases brainwave function, supports the immune system and reduces pain and anxiety levels.

In unique and empowering Keynotes and Presentations, Amy loves combining therapeutic music, a clear understanding of vibrational resonance, and Life Lessons learned during her 2 journeys with breast cancer to expand perceptions of self-care, self-discovery, and self-expression.

Amy's music is used throughout the country in hospitals, cancer centers and hospices as well as for general relaxation and stress reduction. Her inspired music relaxes the body, calms the mind, and gently touches the soul. As one woman said, "You touch others in such a deep place with your music because it comes from such a deep place inside of you."
